

Gazpet

**With watermelon
and strawberry**

The one to make you dance this summer!

Refreshingly natural | The most summery

Composition

- Pasteurised liquid yogurt (lactose-free) (99,593%)
- Freeze-dried watermelon (0,2%)
- Freeze-dried strawberry (0,2%)
- Minerals (0,007%)

Complementary food for cats and dogs

Gazpet watermelon and strawberry is a pasteurised liquid yogurt made for...

- Creating your own ice creams on your favourite mold.
- As a topping, the best way to refresh their feed.
- To cool down your pet.

It does not require refrigeration for its conservation.
